**THERE WILL BE NO EXCEPTIONS!!!!**

## **THE INTIATION PROGRAM**

The Initiation Program is for the beginning hockey player who is between 5 and 8 years old as of December 31, 2006. The instructional program will be focused primarily on the basic hockey skills – skating, stick handling, passing and shooting. Each skill is introduced and refined in a progressive “one-step-at-a-time” manner. Players participate in practice drills, informal and modified programs. Although the main emphasis is on fun and progressive skill development, the Initiation Program also allows youngsters to experience:  
Cooperation – fair play – fitness – safety.

This program will have one 45 minute practice per week depending upon the facility ice availability (approximately 18 practices for the season). The season will begin the week of October 2<sup>nd</sup> and end mid-March.

Depending upon the number of registrations and available opponents – if possible, there may be a couple of games played against other Initiation Programs at the end of the season.

Required equipment: HECC (Hockey Equipment Certification Council) Helmet with face mask (full cage) and strap, mouthpiece, hockey skates, stick, gloves, pads (elbow and shoulder), shin guards, padded hockey pants, and athletic supporter. Girls will be required to wear a chest protector. Rental equipment is available through the Jr. Hockey Parent’s Association. Please contact the City of Troy Recreation Department at 339-5145 for rental information.

6, 7, and 8 year olds who may grow out of this program may have the opportunity to move onto the Mite house team(s) if there are available openings. An additional fee to move up would be assessed as appropriate.

The Initiation Program may have cross ice practices depending upon the number and ages of participants in the Jr. Hockey program.
